Benefits of MBE/WBE/DBE/ACDBE Certification:

1. Certification can raise a firm’s profile in competing against non-certified subcontractors and contractors.
2. Certification provides marketing exposure to prime contractors and government agencies through the City of St. Louis’ online Directory of Certified Businesses (www.mwdbe.org) and the Missouri Regional Certification Committee’s statewide DBE database (www.mrcc-mo.org). The DBE certification is honored by agencies with DBE programs throughout Missouri (*City of St. Louis, City of Kansas City, METRO, Missouri Department of Transportation, Kansas City Area Transportation Authority, Mid America Regional Council and East-West Gateway Council of Governments*).
3. Certified firms are provided with training seminars to promote the growth & development and assist in firms’ potential for successful participation on City contracts.

Frequently Asked Questions:

1. If I apply for certification today, how long would it take for you to process my application package?

Answer: The standard for completing the certification process is 90 days from the time a complete application package and all required submittals is received by the DBE Program Office. The 90 day clock does not start until all required documentation has been satisfactorily submitted.

2. My firm is certified by another agency. Do I need to go through the certification process again?

Answer: The City of St. Louis recognizes DBE certification from any agency in the Missouri Regional Certification Committee (MRCC) to satisfy only DBE participation goals. Any firm that wants MBE and/or WBE certification recognized by the City of St. Louis must apply to and go through the certification process with the City of St. Louis – Lambert Airport DBE Program Office.

3. What is the cost to apply for certification?

Answer: Free. There is no application fee to apply for certification.
